### Terms & Conditions

The tuition fees are payable monthly in advance. The fee shall be payable exclusively in Euros, regardless of whether or not the students place of residence is located within the Euro currency area. The use of online payment systems shall be necessary. Debit/credit card payments, payments by cheques, bank draft or transfers will only be accepted via online payment systems. IU will inform the student about the available online payment systems. All and any charges due to fee payments abroad shall be exclusively paid by the student. The payment for the first month must have been received by IU before the start of the study programme. Otherwise the student can't start his/her studies.

If the student wants to take the final examination (colloquium) before the end of the contract the outstanding tuition fees for the remainder of the course, until the end, have to be paid in full before the date of the colloquium. Changes in the amount of tuition fees may result in case of discount campaigns.
